

LINARES

This high-gloss white acrylic bath has a back that is round shaped in two-ways, creating a comfortable lying shape. This bath is symmetrical in the larger sizes. The smaller sizes have only a right-hand version. The bath is also rounded in the foot end in two directions. The bath drain is located in the middle of the bottom and the drain knob is mounted on the long side of the bath.

Riho acrylic baths are made of high-quality cast acrylic, fully reinforced and all through white in colour. Our acrylic baths are non-aging and UV resistant. The material is completely pore-free and smooth. Lime will adhere poorly so no bacteria remain, also it makes the baths easy to clean. Its surface is pleasantly warm. Standard bath doesn't include a legset and overflow/drain.
